➤ CCAK Development Status

The Certificate of Cloud Auditing Knowledge (CCAK) is a credential that industry professionals can obtain to demonstrate their expertise in understanding the essential principles of auditing cloud computing systems. The CCAK is being developed by the Cloud Security Alliance, the global leader in cloud security best practices and will be available in Q3 2020.

The logo for the Certificate of Cloud Auditing Knowledge (CCAK) features the letters 'CCAK' in a bold, blue, sans-serif font. A small 'TM' trademark symbol is positioned to the upper right of the 'K'.
